

EDUCATION

London School of Economics

Expected July 2026

MSc Economics

London, England

- Expected result: Distinction.
- Selected courses: Econometrics, Microeconomics, Macroeconomics, Portfolio Management, Asset Markets.

McGill University

June 2025

B.A. in Joint Honors Economics & Political Science, Minor Computer Science

Montréal, Quebec

- Graduated First Class Honors with Distinction, Major GPA 3.98, Cumulative GPA 3.84.
- Selected courses: Honours Econometrics, Statistics, Algorithms and Data Structures, Discrete Structures.

Phillips Academy

May 2020

High School Diploma, cum laude

Andover, Massachusetts

SELECTED WORK EXPERIENCE

McGill University

June 2025 – September 2025

Research Assistant

Montréal, Quebec

- Under Dr. Santiago Camara, I analysed financial data with R and Stata on European Central Bank spillovers to disentangle pure monetary policy shocks from information effects using an SVAR model.
- Paper with the results of this research is forthcoming.

McGill University

May – August 2024

Math Tutor

Montréal, Quebec

- I tutored eight students in linear algebra and multivariable calculus.
- My tutoring helped seven of these students achieve an A, and one student achieved an A-.

PROJECTS

Type Inference Algorithm and Type Checker

May 2025

- I implemented a type inference algorithm and checker for the OCaml programming language, using constraint solving-based inference

CPU

October 2024

- I developed a classical CPU connected to an 8-nibble RAM, 2-digit digital display. The CPU implemented a control unit and ALU; all components were developed from scratch in circuit simulation software.

Search Engine

November 2023

- I designed and programmed a Java-based search engine that modeled key features including graph-based crawling, ranking, indexing, and searching on input website data.

Writing Samples

My writing samples are currently visible on my [website](#)

PROGRAMMING LANGUAGES AND SKILLS

Java, R, Python, C++, Javascript, Bash, OCaml, MIPS assembly, Excel, LaTeX, Canva, Stata, research proficiency, public speaking
